19. COMBINATION RATES (Check appropriate rate)

☐

The rates and charges in this tender may be used as factors in the construction of any combination through rates, charges or other provisions.

☐

The rates and charges in this tender may be used as factors to make combination rates and charges to and/or from other points of origin and destination, provided that such other points are not more than thirty (30) highway miles distant from the pertinent point of origin or destination named in this tender. The distance shall be measured from (1) the nearest boundary, in the case of designated commercial zones; (2) the nearest corporate limit, in the case of incorporated communities not in commercial zones; or (3) the nearest post office within other points of origin or destination.

☒

The rates and charges in this tender may not be used in construction of combination rates or charges.

20. GENERAL TERMS AND CONDITIONS

a. **Lawful Performance:** Operating authorities

The carrier(s) represent(s) to the United States that the services provided in this tender will be performed in accordance with the applicable Federal, state and municipal laws and regulations and the carrier(s) hold(s) the required operating authority to transport the commodity from, to, or between the places specified in the authorized certificates, permits or temporary operating authorities.

b. **Charges and allowances**

Except as otherwise provided in this tender, shipments made under the provisions of this tender are entitled to those additional services and privileges as are provided in separately published tariffs or tenders to which the carrier(s) participates, including additional tariff or tender charges, rules and regulations applicable to such services and privileges.

c. **Payment**

For shipments made by motor carrier, the carrier shall show the amount of the United States or Standard Form 113, Public Voucher for Transportation Charge, appropriately supported. Carriers shall send bills to the "Charges to be billed to" address shown on the face of Standard Form 103, U.S. Government Bill of Lading.

d. **Reference**

Where reference is made in this tender to an item, tender, tariff or classification, the reference shall be construed to include the supplements, amendments or reissues of that item, tender, tariff or classification, unless otherwise specified in this tender.

e. **Cancellation or amendment of tender**

This tender may be cancelled or amended by the carrier(s) on written notice of not less than thirty (30) calendar days, except for shipments made from the original point of origin (or port of importation, where appropriate) before the effective date of the notice and except for any accrued rights and liabilities of either party to the tender. Cancellations or amendments may be made upon shorter notice by mutual agreement between the Government and the carrier(s) concerned.

f. **Filing with regulatory bodies**

The carrier(s) certifies (certify) that, where required, the necessary copies of this tender shall be filed concurrently with the Interstate Commerce Commission as state Section 10721(b)(2) of the Interstate Commerce Act, or with other regulatory bodies, as appropriate.

g. **Alternations and volume of traffic**

This tender shall not apply where charges for services provided under this tender exceed charges otherwise applicable for the same service. Receipt and acceptance of this tender by the Government shall not be considered as a guarantee to the carrier of a particular volume of traffic described in this tender.
